### ***Immediate Assistance for Unanticipated Needs***

RBCPC has a page on the ArkAlmighty website that allows survivors to post a special need that we did not anticipate. Needs are available for anyone in our congregation to view, but the source of the need is not revealed. To post a need, go to [www.rbccpc.org](http://www.rbccpc.org) and click on the ArkAlmighty logo link. After someone in the congregation posts a response that they can meet the need, then we have a trusted volunteer who makes the match behind the scenes and connects a member of our congregation directly with you to complete the assistance. All services are offered free of charge.
